📍 Shesh Nagar, Bramhapuri

## ABOUT ME

I'm Manas, a dedicated web developer and data science enthusiast who loves crafting dynamic, user-friendly applications. I specialize in building responsive and interactive web experiences using modern technologies. Along with web development, I'm exploring the world of data science – discovering how data can drive insights, predictions, and better user experiences. My ultimate goal is to blend web technologies with data-driven solutions to build smarter, innovative, and efficient systems.
